Agenda Item 05a
REPORT TO THE EXECUTIVE COMMITTEE
SANTIAGO LIBRARY SYSTEM

DATE: November 14, 2023
FROM: Christine Powers, Executive Director – SCLC/Santiago

SUBJECT: CLSA FY 2023/24 Plan of Service Update (DISCUSSION)

BACKGROUND: Each year, the Santiago Library System receives California Library Services Act (CLSA) funds from the state to promote resource sharing within the system. To receive these funds, Santiago must complete and submit a Plan of Service to be approved by the California Library Services Board (CLSB). The Plan, which was submitted in June, outlines how the system intends to expend funds and how those expenditures will benefit the communities served by Santiago member libraries.

The CLSB agenda for October 19, 2023, included the review and approval of CLSA FY 2023/24 Plans of Service for all library cooperatives. At that meeting, the CLSB approved Santiago’s Plan of Service, as submitted. Since then, staff has received and filed the required paperwork with the State Library staff to claim CLSA funds for the system. It is anticipated that these funds will be distributed by the end of the calendar year.

Exhibit A consists of the CLSA Final System Budget Allocations for the current fiscal year, broken down by each cooperative system. Exhibit B is a summary of Santiago’s FY 2023/24 Plan of Service, as presented to the CLSB by State Library staff.

Total CLSA Budget: $221,342

Previous year(s) CLSA funds being used: $ 0.

CLSA Baseline Funding Budget: $177,074

- **E-Resources: ($78,278)**
  - **OverDrive: ($40,523)**

**Telecommunications: ($90,045)**

  - **Internet ($87,281)**
  One member library is allocating funds to offset service fees and ensure access to high-speed connections. Both remain a critical lifeline in this System area where, although mostly urban and suburban, there remains a considerable population of individuals and families underserved by internet service providers. Funding for staff internet costs provided by the System’s administrative/fiscal agent proportionate to the System’s size.

  - **ZOOM ($163)**
  The continued ability to facilitate hybrid meetings will remain essential during the next year. Access to Zoom, a stable, easy to use platform, will ensure the System remains flexible to meet, regardless of whatever conditions may be present.

**Support ($1,035)**
Funding for IT support for the System’s administrative/ fiscal agent are being requested proportionate to the System’s size.

**Phone/Fax ($1,566)**
The phone is a lifeline for the Santiago staff that is predominantly remote, and business is conducted using the phone routinely. Funding for phones for the System’s administrative/ fiscal agent are being requested proportionate to the System’s size.

**Office Supplies ($1,876)**
Shared expenses for general office supplies.
Other: Audit ($6,875)
The System participates in an annual audit of its financial records and practices to ensure compliance with accepted accounting standards.

Estimated average cost to move an item in the regions $0.29 and $0.88 including salaries, employee benefits, vehicle maintenance, and fuel.

CLSA System Administrative Funding Budget: $44,268

Salary and benefits for:
- Executive Director: $8,636 (FTE .043/1)
- Deputy Director: $2,454 (FTE .015/1)
- Controller: $19,180 (FTE .146/1)
- Project Manager: $1,590 (FTE .012/1)
- Administrative Assistant: $12,408 (FTE .118/1)

Program Support using non-CLSA funding:

Each member library supports the programs (eResources and internet) with some level of local funding. At this time, it is not known, given that local budgets are not yet passed, exactly how much additional support they will receive.

Meeting the Goals of the community:
Santiago System members continually monitor the usage patterns of patrons including checkouts, holds, requests, and internet traffic. Each member evaluates this information periodically, and, with an eye toward their individual budgets, makes recommendations for how the System should prioritize its goals.

Access to eResources and stable, secure internet connectivity remains a high priority across the System, which is why both are featured prominently in this allocation. Additionally, System staff survey the Board to assist in the creation of this document to ensure the voices of all members are heard and featured in the discussion.
REPORT TO THE EXECUTIVE COMMITTEE
SANTIAGO LIBRARY SYSTEM

DATE: November 14, 2023
FROM: Christine Powers, Executive Director – SCLC/Santiago

SUBJECT: Banking Status and Reconsideration of Financial Authority (ACTION)

BACKGROUND: At the last meeting of the Santiago Library System in August, members approved a motion to authorize staff to close Santiago Library System’s Pacific Premier Bank account, open a new account with JP Morgan Chase, and transfer all funds from Pacific Premier Bank to JP Morgan Chase. The motion also continued authorization of signature authority for Santiago Library System’s bank account for the following individuals: Executive Director, Christine Powers; Santiago Chair, Santiago Vice Chair; and Project Manager, Nerissa Snodgrass.

The process to establish a new account with JP Morgan Chase is underway, and the process should be completed soon. The Pacific Premier Bank account will remain open until the new account is established and all funds have been transferred.

As mentioned above, the Executive Council has granted financial authority to two members of SCLC staff, as well as the System’s Chair and Vice Chair. In order to obtain financial authority, each individual who will be added to the bank account must provide their name, address, social security number, a copy of their driver’s license (or some other form of official identification, such as a passport), as well as a secondary form of identification. This information is collected by the bank and is not, at any point, collected by or provided to SCLC staff members.

While having Council Members on bank accounts has been a practice for Santiago and for the other four cooperatives that it serves for several years, there does not seem to be any sort of legal requirement for this practice. In reviewing the system’s JPA and Bylaws, there is no explicit requirement for Council Members to be authorized signers on any financial accounts. Furthermore, when reviewing the duties of the Chair and Vice Chair in the Bylaws, there is no mention of financial authority for either position.

While having members of the Administrative Council on Santiago’s bank accounts is likely an effort to increase transparency, it also poses some drawbacks. First, it puts pressure on Council Members to disclose financial information that they may not
comfortable sharing, especially as they are probably not required to provide this information in the course of their work in their respective library systems. Secondly, while the process will be much easier with Chase, it does create additional work to switch members on and off the account: for the Executive Council to vote on, for staff to draft the appropriate communications/reports and to coordinate the changes with the bank, and for the bank itself to make these changes on an annual basis. Finally, having additional members on the account who are not under Santiago’s authority does pose a liability.

The current practice of having the Chair and Vice Chair as authorized signers on the account could continue, but staff wanted to bring this item up for discussion and potential recommendation to the Executive Council. Should there be a desire to discontinue having Council Members on bank accounts, other transparency measures can be implemented, such as providing bank statements during budget status reports.

FISCAL IMPACT: None

RECOMMENDATION: Should the Executive Council wish to reconsider having Council Members as authorized signers on Santiago’s bank account, a recommendation can be made to discontinue the practice of having Council Members on the accounts, effective either at the end of this calendar or fiscal year.

SUBJECT: Santiago Library System Webpage Update (DISCUSSION)

BACKGROUND: Earlier this year, members of the Santiago Library System voted to discard the use of the System’s Google Drive and allow SCLC staff to manage Santiago’s website as a subpage of SCLC’s website.

This webpage includes Santiago’s name, logo, a brief description of the organization, a list of member libraries, and a link to meeting minutes and agendas. Staff will manage the website regularly to post agendas in compliance with the Brown Act and make any updates regarding member library contact information, as needed.

REPORT TO THE EXECUTIVE COMMITTEE
SANTIAGO LIBRARY SYSTEM

DATE: November 14, 2023
FROM: Christine Powers, Executive Director – SCLC/Santiago
Andrea Roque, Librarian III, Orange Public Library – On behalf of
Children’s Services Committee

SUBJECT: 2024 Performers Showcase Proposal (ACTION)

BACKGROUND: The Santiago Library System’s (SLS) Children’s Services Committee, along with volunteers from their library staff, have presented the Performers Showcase for many years to familiarize themselves and their guests with performers to use for library programming. This was especially valuable in the past before other electronic means (websites, YouTube, etc.) to see performers were available to librarians. Although this event was interrupted by the COVID pandemic, it resumed last year on January 19, 2023, at the Yorba Linda Community Center.

The following information has been provided by the Children’s Services Committee, for consideration by the Executive Council.

Overview
The SLS Children’s Services Performers Showcase has been a valued program to the libraries in Orange County and surrounding library systems for years. This program has provided libraries with the opportunity to meet new and seasoned performers in the area and evaluate performers’ ability to enhance library services to local communities. As no comparable program exists in Southern California, the Children’s Services Committee would like to continue to offer the Performers Showcase on a yearly basis.

Purpose
The Showcase provides libraries with the opportunity to see a variety of performers in a single day. This is a convenience that is beneficial in planning Summer Reading Programs and other programs throughout the year. This Showcase also allows performers the opportunity to display their acts to a large audience at a minimal cost while minimizing cost. Acts not chosen to perform on stage have the opportunity to set up table displays and talk to librarians in an intimate setting. The event’s purpose is to highlight local talent and to provide an opportunity for libraries to make informed decisions before booking an artist.
**Proposed Venue & Date**
After many years hosting the Performer’s Showcase at the Yorba Linda Community Center, the 2024 Showcase will move to the Huntington Beach Library Theater on Thursday, January 18, 2024.

**Lunch & Snacks**
Prior to COVID, the Committee provided a lunch option as part of the Showcase. In 2022, participants and performers were encouraged to bring their own lunch. Unfortunately, many librarians and performers decided to leave the premises during the breaks. This frustrated both attendees and performers, as it affected the ability to book on site, and also caused parking issues. The return of a lunch option was suggested by many of our post-Showcase survey respondents. The Committee would like to offer a sandwich/chips/drink type of lunch for the 2024 Showcase. Fees would cover the cost of lunch.

Future proposed venues include Mission Viejo (2025), Newport Beach (2026), and Anaheim Public Library (2027).

**LSTA Inspiration Grants**
The FY23-24 Inspiration Grants opportunity is now open. The opportunity closes **November 30, 2023 at 12:00 noon**, or once all available funds have been awarded. Inspiration Grants provide Library Services and Technology Act (LSTA) funding for California libraries that are inspired to implement projects outside of the State Library’s other funding opportunities. Inspiration Grants provide funding for projects that may not fit within the bounds of the other grants offered by the State Library and/or for ideas that are generated outside of other funding opportunity application timeframes. For full information, including timeline, guidelines and a link to the online application, visit the [LSTA Inspiration Grants](#) website.

**Lunch at the Library**
The California State Library is pleased to announce updates to the 2024 application period for **Lunch at the Library**, a $5.4 million state-funded grant program available for all California public libraries to support summer meal service for children and youth. Libraries can take part by serving meals at the library or taking pop-up libraries to local community meal sites, or both!

This year’s applications to receive funding for **Lunch at your Library opened September 13th and will close November 29th, 2023.**

Funding for Summer 2024 will begin in February 2024, and end January 2025.

To view the most current information on this and other grant opportunities, please visit the [Grant Opportunities](#) page. To join the ongoing Lunch at the Library conversation, please subscribe to our listserv by emailing lunch@library.ca.gov with the subject “Listserv”.

If you are considering the Lunch at the Library program for the first time, CSL staff are available to guide you through the process, including determining if you are eligible to serve as a USDA meal site. Please reach out with any questions to our team at lunch@library.ca.gov.

**Broadband: California Library Connect and Collaborative Connectivity Grant—Rolling Due Dates**
The [California Library Connect Program](#) is now accepting applications. Libraries may apply for grants to cover eligible IT/network infrastructure equipment and expenses, as well as the first-year costs of upgrading or installing a new high speed Internet circuit. This program also supports California public libraries by connecting them to high-speed internet through the California Research and Education Network (CalREN) — a high-capacity public-sector broadband network. We have also launched the [California Collaborative Connectivity Grant](#), a separate grant opportunity that provides gap funding for libraries and partner anchor institutions to construct broadband circuits to connect underserved communities. State of CA funded.
For California Library Connect questions, please contact us at admin@californialibraryconnect.com, the California Library Connect Grants Coordinator email grants@californialibraryconnect.com or through our help line at 213-297-0109 (Monday-Friday, 7:00AM-3:00PM PST).

Visit the grants page of the California State Library website for a listing and timetable of new and upcoming funding opportunities and statewide resources available.

Career Online High School
The Career Online High School (COHS) program no longer requires libraries to provide a local cash match commitment to participate. Libraries may opt into the COHS program at any time using the COHS Interest Form, and will receive training and implementation support, have access to the California State Library’s universal scholarship supply, and complete a short mid-year and end-of-year report. COHS questions can be sent to cohs@library.ca.gov
